## January/February 2020

### NEW SAFETY PROTOCOL

As you are aware the safety of our students is top priority. To ensure the security of our building several safety additions have been added.

**Front entry camera** – ringing bell and presenting ID to gain access to the front office was added in the 2018/2019 school year.

**Security vestibule** in front entry of building was added in the fall semester of 2019/2020 school year.

Over the holiday break we had several changes to our building. We now have a **secure exit door** in our front office. Visitors must be verified in v-soft by presenting their license before they can gain access to our building and can be “buzzed” out of the office.

**Security doors** are under construction for each grade level hallway entrance.

We will be establishing a new online RSVP process for holiday parties, Hoedown and Field Day. The process will be a google form and will be on our website soon and more information will be coming soon.

## **PARENTAL RESPONSIBILITIES/RIGHTS – CUSTODY ISSUES**

The school district does not have the obligation to contact the managing conservator when the possessory conservator requests permission to review the child's records and/or consult with the teacher.

Any conflict between two parents should be handled outside the school and we should be advised of any limitations of contact that may be established in the divorce decree; i.e., a visit with the child exclusive of a review of the records, etc.

Please assist us in the handling of custody related issues. It is the responsibility of the parents to provide the campus registrar a certified copy of the court order affecting any other person's right to their children. Should you have any questions please call Ms. Kia Bowie at 832-484-7200.

## **MEDICATIONS AT SCHOOL**

All medication whether prescription or over the counter must be delivered to the clinic by a parent or guardian. Prescription medications must be in the original container with prescription label. Most pharmacies will provide you with an extra bottle when you fill prescriptions if you ask them. Over the counter medications must have a dosage for the child by age or weight and can only be given for 2 weeks without a doctor's note. Unused medication cannot be sent with the student. If the parent or guardian cannot pick up medication you may make arrangements with the nurse for another adult to pick up medication. No vitamins, health food, or herbal preparations may be given.

## **ATTENDANCE**

In the event a student is absent from school for any reason it is required that their parents log in to their child's Skyward account to report the absence or on their return to school they can bring a written excuse signed by the parent/guardian or a medical note. In order for the absence to be considered an excused absence, the note must be presented within five school days after the absence.

### **ATTENDANCE COUNTS EVERY DAY EVERYONE**

## **WATCH D.O.G.S.**

Watch D.O.G.S. are fathers, grandfathers, uncles and other father-figures who volunteer at Kohrville. During the day, Watch D.O.G.S. may read and work on flash cards with students, watch the school entrances and hallways, assist with traffic flow and any other assigned activities where they actively engage with not only their own child, but other students as well. If you are interested in the Watch D.O.G. program at Kohrville, please go to our website to sign up.
